### GROUP ORDER 3501R.1C

From: Commanding General  
To: Distribution List

Subj: MARINE CORPS COMBAT READINESS EVALUATION SYSTEM (MCCRES)

Ref: (a) MCO 3501.1  
(b) MCO 3501.7  
(c) MCO 1553.3

1. Purpose. To publish policies and procedures for implementing the Marine Corps Combat Readiness Evaluation System (MCCRES) in the 4th Force Service Support Group (FSSG). Reference (a) establishes a standard evaluation system. Reference (b) prescribes the specific Mission Performance Standards (MPS's) that units must be capable of performing in order to successfully execute particular missions. The MCCRES provides commanders with a comprehensive set of MPS's from which training programs are developed, implemented and evaluated for effectiveness and efficiency per reference (c).

2. Cancellation. GruO 3501R.1B.

3. Information. 4th FSSG policy is to MCCRES individual CSSE's that are comprised of detachments from multiple battalions (i.e. CSSD's, MSSG's, BSSG's). Due to the limited training time available to the reserves, and given the fact that seldom do 4th FSSG Battalions deploy as a unit, the MCCRES evaluation will be done concurrent with established exercises. This differs from our active duty counterparts who establish exercises for the sole purpose of doing a MCCRES evaluation of a particular unit. 4th FSSG MCCRES evaluations will be subordinate and transparent to the normal operations of the exercise.
